4 次の英文を読んで後に続く問題に答えなさい。(46点)

(1)Here is a story (_____). This shows how God really takes care of us.

It was back in the early 1970's. I just finished *chiropractor school and wanted to *open up a *practice. I was so lucky that I could find the perfect place for the practice, but I did not have any money at all. And I needed not only *rent money, but also money for tables, chairs, and so on. I called a few friends for help, but was only able to collect (2)around a thousand dollars—not enough.

Then (3)I got a call from a man who was a teacher at the chiropractor school. He told me to come to his house because he had something for me. When I went to his house, he took me to his living room. There was a large *stack of money on the table. He gave me a (4)(_____) of paper and a pen and told me to count the money and *write up an IOU. It was about \$6,000! I was surprised (5)(_____) the *unbelievably large amount of money!

Soon after I opened up the practice, things started becoming very bad. Then, three close friends of mine were killed in a car accident. (6)(sad / me / very / made / that). I also started to worry about the *debt. I kept thinking, “Why did this have to happen to me? How can I pay back the money *at this rate?” *Because of the *grief and the pressure of the debt, I was depressed and *had difficulty continuing the practice, and I was near *bankruptcy.

One morning I got out of bed, went into the office, and thought I had to change something. The night before, I had a dream and remembered *a verse from Ecclesiastes. It says: *Cast your bread on the waters; for you shall find it again after many days. I *took this verse to mean that I need to *give away some money to others and it will be returned *tenfold in the future. So, I *gave a pay-raise to my secretary. She said, “You *can't afford to do that.” But I said to her, “This is a chance (7)to trust God.” Perhaps I was *crazy to do such a thing. But I trusted God. That day, everything (8)begin to change. I suddenly started to get many *patients. It was like a miracle! I made a lot of money, and I was able to *avoid bankruptcy. I was able to pay back the teacher six months after starting the practice.

Isn't that amazing? I believe that this story shows how God will take care of us if we trust him.
